FEDERAL BRACE

MADE IN USA

Federal Brace's Dilworth Countertop Post Support

The Dilworth Countertop Post Support by Federal Brace creates a 5" elevated secondary counter above your base surface, adding functional serving space without increasing footprint. Designed for countertops up to 12" deep, it safely supports granite, quartz, and other solid surface materials with a 500 lb capacity per support. Its stainless steel construction delivers both strength and a clean, modern appearance.

Key Features & Benefits

- 500 pound carry capacity
- Supports up to 12" deep elevated countertops
- Creates a 5" elevated floating counter
- Ideal for stone, quartz, and solid surface materials
- Made from 100% American steel and manufactured entirely in the USA
