Federal Brace's Floating Shelf Bracket

Federal Brace floating shelf brackets provide unmatched quality and durability for those looking to enhance their interior design with both form and function. Our heavy-duty floating shelf brackets are designed to support even the heaviest hollow box shelves and the objects they hold with ease.

Key Features & Benefits

- Provide the strength and stability needed for heavy-duty shelves
- Slotted holes for easier stud alignment
- Sleek finish and design
- #1 choice for residential/commercial applications
- Can be positioned side by side for long-span installations
