ADA Compliant

Federal Brace's Magnetic ADA Modesty Panel Attachment Kit

Upgrade your ADA-compliant cabinetry with magnetic modesty panel brackets, engineered for rapid installation, tool-free access, and code adherence under Section 306.3. These steel brackets are a next-gen solution for mounting and ADA plumbing panels—without screws or permanent fixtures for panel skirts.

Key Features & Benefits

- No tools needed to remove or access plumbing
- Ensures full knee clearance for wheelchair accessibility
- Easily attach panel without complex joinery or clips
- Easy horizontal and vertical tuning for perfect alignment
- Ideal for cabinets under sinks, desks, and accessible workstations

What our customers say

"This new magnetic attachment system saves the guys in the field a lot of time during installation versus cheap clips that are tough to align and eventually break. Time = money. Great innovation Federal Brace."
